POLICY/ADMINISTRATIVE

Review of T/O

REF -- OC 53-068, 21 August 1953

1. The following comments are submitted for your consideration:

a. Your letter did not specifically mention [ ] but we have assumed the T/O to be reviewed should include that project.

25X1

b. While we do not visualize the necessity of eliminating any functions currently performed if the present number of individuals in the field is set as the ceiling, we will not be able to

25X1

(2) Contribute substantially to the [ ] program with the three men now assigned.

25X1

c. We do not foresee reduction or elimination of any functions although [ ] will continue to have very few qualified radio operators.

d. The following are considered as additional commitments:

25X1 (1) A communications assistant/instructor [ ] See para 25X1  
lb(3) above and [ ]

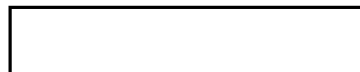

(2) Establishment of [ ] stations. Headquarters is, however, 25X1  
better able to decide whether or not this is a commitment.

25X1 f. We assume that Headquarters has taken action on our recommendations  
for the staffing [ ] 14 July 1953, refers.

g. We would appreciate clarification as to the effect which the T/O  
review may have on the hiring of indigenous personnel.

2. The above will be discussed with [ ] during his forth-25X1  
coming visit.
